VOL. 12 NO. 9 WEDNESDAY, MARCH 3, 1971.

P.O.BOX 263, St.Albert
Registration No.1930

The St. Albert Lions Club welcomed six new members at an induction ceremony presided over by District Governor Frank Wilson of Edmonton. Shown seated left to right are new members Bob Bridges, Dave Iseke, Wayne Davis, Gregg Campbell, Floyd Maybee and Norm Lynch. Standing are sponsoring Lions Nick Chodan, District Governor Frank Wilson, Niels Hoverdskov, Dick Riley, Glen Ward and Bill Tolman.

Zoning matters at council

A group of Brownies from Second St. Albert pack were in the gallery when Mayor Gibbon called town council regular meeting to order Monday evening. They attended part of the meeting as part of their citizenship program training.

Present were Councillors Hudson, Lukay, Russell and Kambourоff and staff members O'Connell, Roberts, Maandag and Sherbick. Councillors de Bruijn and White were absent.

Three re-zoning by-laws were on the agenda. It was decided to hold second reading of the by-law to rezone river lots 29 and 30 until after public works committee considers an application which has come in for subdivision. By-law covers those parts of the lots which lie north of Bellerose Drive, presently zoned agricultural, to be rezoned to Commercial Class 4.

First reading was given a by-law to rezone three areas east of Paul Kane school from Residential Comprehensive to Residential Single Family, Public Use and Res. Multiple Family. Public hearing for this by-law was set for April 5.

First reading was given a by-law to rezone Block 15 (an area west of Lacombe school) from Res. Comprehensive to Res. Single Family. Public hearing was set for April 5.

Council approved a committee recommendation that the assessor be asked to provide an estimate for the assessment on the proposed Grandin Village Condominium project. The proposal has been approved in principle, subject to a number of recommendations of staff on such matters as fencing, landscaping, parking. Developers are Embassy Bramalea.

An application for subdivision of Riverlots 29 and 30 was unanimously approved as outlined by planner J. Woodroffe. Council also agreed to participate in a program of Edmonton Regional Planning Commission to develop a regional parks policy. Vote was 4 - 1 with Mayor Gibbon opposed. He takes the position that the

W.I. hears young people

The St. Albert WI met at the home of Mrs. Molly Laderoute, Feb. 23. Mrs. Marilyn Henry demonstrated the use of nutshells as ornamental decorations on clothing. Mrs. Dianne McNeill showed various decorative pin-cushions.

The 28 members and two guests present heard an informative talk, supplemented by slides and photographs, by the Holiday Community Volunteers. This group of young people, in part sponsored by the WI spent their summer holidays visiting and entertaining residents of Indian Reserves in Northern Quebec, Saskatchewan, British Columbia and Alberta. Speaking for the Volunteers were Karola Cunningham, Peter Byl and Raymond LeBlanc.

The forthcoming fashion show was another topic under discussion. To be held at Father Jan School, March 19, fashions will again be shown by local models.

Citizens will be given the opportunity to win a handmade WI quilt and at the same time assist the WI on their goal towards buying a heart pacer for the Sturgeon General Hospital when the ladies of the WI set up a ticket booth at Safeway Friday evening and Saturday, March 5 and 6.

Fathers and Sons enjoy fine supper program

About 250 fathers and sons took in the supper arranged by Third St. Albert Cubs and Scouts group last Saturday at the Community Hall. Third St. Albert were joined by the First St. Albert group for the occasion.

Mr. Tom White, who was in charge of the program and also acted as emcee, organized one of the most successful father and son evenings ever held by the Scout movement here.

As master of ceremonies he brought excellent continuity to the program, which never lagged and held the attention and interest of all throughout. His choice of entertainment was a happy one, as was evident by the enthusiastic response of the boys to both the karate demonstration and the RCMP police dog training film and talk.

Mrs. MacDonald of Simon Karate School in Edmonton brought four of her students who put on a most interesting demonstration. Afterwards they came down from the stage and talked to the boys, who were keenly interested in learning as much as they could about the art of karate.

Constable Walter of the RCMP dog training division showed a film on how dogs are trained for police work. Afterwards he was peppered with questions from right, left and centre from the boys, which he answered with good-humored patience for a considerable time.

The supper was provided by the ladies of the UCW and included sloppy joes, cake and ice cream, chocolate milk, tea and coffee. Most of the boys and some of the dads went back for seconds.

Rev. Len Musto spoke briefly on the christian aspect of the scout movement, and District Commissioner Ted Langford of Landing Trail District, was on hand to make some presentations.

Mr. Doug Taylor received a presentation and the thanks and congratulations of the district for 10 years of service to the scout movement in a variety of leadership capacities.

Another activity marking Baden-Powell week in St. Albert was the church parade held Feb. 20 which attracted a full attendance of Cubs, Scouts, Guides and Brownies, for a colorful and meaningful service.

Gift of Life

An important blood donor clinic will be held in St. Albert on Monday, March 8 at the Community Hall from 7 - 9 p.m. Give an hour of your time and save a life!

The importance of the Red Cross Blood Donor service is underlined by the fact that since its opening in September last year the Sturgeon General Hospital has used 155 pints of blood, 63 of which were used in the month of January alone.

In Edmonton just prior to Christmas several heart operations had to be cancelled because blood reserves had dipped to a dangerously low level.

The St. Albert Kinette Club, sponsors of the clinic, urge all physically able citizens of St. Albert and district to attend and give the gift of life.

Council considers fencing the lagoon-Forest Lawn Property

At their meeting Monday night council considered a recommendation from public works and finance meeting that the cost of fencing the sewer lagoon be looked at in the budget for the coming year. Councillor Kambouroff said he would oppose the recommendation, having had some second thoughts about a fence around the lagoon.

"This is not the only danger area" he said - the drainage ditch by Lions Park could also be dangerous, and there are other places. Councillor Hudson said council should fence all danger areas. "We may not have enough money" said Councillor Kambouroff. Councillor Hudson suggested that a snow fence might be the answer. In reply to a question by the mayor, engineer Maandag stated that a chain-link fence around the lagoon would cost about $30,000, and he was convinced a snow fence would be a waste of money.

Councillor Russell felt that council should look at a snow fence now, as some one else could have an accident. Councillor Hudson agreed, and was hopeful that if the snow fence did work, it could also be used in other danger areas. "We do not know that a snow fence is useless he said.

Mr. Maandag said that experience has shown a snow fence will not last, and hasn't lasted when used by the town on construction sites etc. "It might last the rest of this winter and half of next" he said. "We should do this job properly." Councillor Kambouroff said that if council is concerned with safety they should go for the front chain-link fence. "Let's put up a snow fence tomorrow with a frost fence to come" said Councillor Hudson.

In reply to a question from the mayor, Mr. Maandag reported that 16 signs have been posted in the area, and that there is a berm around the lagoon. A motion that the matter of a fence go to budget study was carried 4 - 1 with Councillor Hudson opposed.

Councillor Lukay raised the question of the disposition of the town's 8.66 acres in the Forest Lawn Replot, saying "It is imperative that we finalize this matter." I understand we were to inform the separate school board as soon as possible of our intentions, and now I note that council is waiting for completion of the Forest Lawn replot. This will take us to July or August," said Councillor Lukay. He also stated that he was not sold on the idea of the town selling this property.

Mayor Gibbon pointed out that the school board had been informed of council's approval of their site plan on their portion. "Did not the board feel that the town

Continued on page 7

Autopsy performed on lagoon victim

An autopsy was performed at the hospital on the body of the lagoon victim, with a member of the St. Albert RCMP detachment in attendance. The results are not in from the coroner's office and could take a month. It is possible that an inquest may be held.

Mr. Paul Angrave of the Diver Emergency Rescue team in Edmonton, who was called at 2:15 in the morning to assist the RCMP in the search for the body, said that the snowmobile travelled from 20 - 30 feet over the water from the point of entry. He also noted that there could be no worse diving conditions, and it was impossible for a diver to stay down for more than a few minutes. Mr. Angrave and the other diver, Mr. Walter Ward, were both protected by typhoid shots and the third man from the team Mr. Nick Younge, tended the rope.

As I See It

By Rose Martel

Friday, March 5 has been declared by women of 150 nations as the World Day of Prayer for Peace.

This will be observed by women of many cultures and creeds. It is meant as a day of reflection and devotion, to promote, understanding and Peace.

Prayer has lost its lustre and appeal in the busy world of today. But without faith, there can be no progress, and without progress, man loses faith in himself as well as others.

Today more than ever old fashioned as it may be, we need a Day of World Prayer What kind of seeds are we planting in the minds of our children? What kind of living example are we giving our teen-agers? What kind of relations do we have with our fellowmen, at work, at play? What respect and consideration are we giving to the old folks in our community? In short, where are our roots today?

As I see it - there will be peace in the world, when women demand it and are willing to work for it, as a united force. For centuries war after war has been fought with needless loss of life, great destruction and great suffering of countless millions of innocent and defenceless civilians.

Wars are still taking place in Vietnam, Laos, and Cambodia.

Women must take their rightful place in all levels of society and assume their responsibilities in civic as well in home life. But most of all -- each mother must teach that prayer is the invisible, but strong link, that may well save us all from a world wide holocaust.

Women working for peace may well find the solution with the help of prayer.

Oscar Nord Passes

By Liz McLeod

Calahoo district are mourning the loss of one of its pioneer loved ones in the person of Mr. C. Oscar Nord who passed away Feb. 11 in Stony Plain Hospital.

Mr. Nord was 83 years of age and was born in Sweden. He came to Chicago in 1910 and lived near Minnesota until coming to Calahoo and filing on a homestead in 1912.

Oscar was married in 1925 to Miss Mina Moore who came from England in 1923 to visit her brother Mr. Jim Moore.

Mr. Nord was predeceased by his first born son Louis John, four years old in 1930 and a brother Charlie of Calahoo.

Mr. Nord is survived by his wife Mina, one son William of Calgary, five daughters, Mrs. Margaret Mitchell of Strome, Mrs. Irene Bendick of St. Boniface, Man., Mrs. Betty Imason of Rich Valley, Mrs. Mary Reeve of Brandon, Man., and Mrs. Kathleen Borle of Lacombe, 27 grandchildren and three great grandchildren, also two sisters in Sweden.

The funeral was held on Feb. 13 at 10:30 a.m. from Andrews-McLaughlin Chapel, Edmonton, Pastor James Kruger officiated.

Interment was at Westlawn Memorial Park.

Pallbearers were two good friends - Mr. Robert Moelhoff and Mr. Mike McLaughlin and former neighbors Messrs. Stanley Walker, John McDonald, Joe Vollmer and John Groppe.

Oscar retired and was living in Stony Plain. His wife was a charter member of Calahoo WI.

Calahoo Locals

By Liz McLeod

Mr. Fred Labonte motored to Westlock to visit his brother Charlie recently.

Jim and Elisabeth Verbeek and four sons came home for a visit to Elisabeth's parents Mr. and Mrs. W. Christen. Mr. and Mrs. George McLeod and family also visited this same day.

Mr. Paul Dorin was a visitor at Mr. and Mrs. Gordon Schmermund's home.

Feb. 19 was a happy day at the McLeod household for it was appropriate to celebrate Liz's birthday even if the years are not being counted. Festivities started with dinner for eight. Guests included Alex, Myles and Daphne Kerr, Clara Loyer and Darrel, Joe Freitag and Pete and Liz.

In the evening Ferd and Elsa Lischewski, Adelard, Melina Paquette and family, daughter Sharon neice Judy Chapman and Will Baron came and fun and laughter reigned. Many thanks to all for the lovely gifts. Lucienne Vader came the next day.

The Calahoo Sports Association are holding a ski-doo race meet on March 7 at Hector Berube's farm. It is hoped there will be a good turn out and the draw for the ski-doo will be made. Calahoo is actively engaged in hockey at this time.

Open House

Open house will be held in the Roman Catholic Parish Hall in St. Albert on Sunday, March 7 in honor of the 90th birthday of Mr. Alex Krupa. All of Mr. Krupa's friends and relatives in the district are cordially invited to join with the family in celebrating this happy occasion. It will be an afternoon party, during the hours of two until five o'clock.

BILLBOARD

THURSDAYS - St. Albert Singers rehearsal 8:45 p.m. United Church Hall.

THURSDAYS - Weight Watchers, Legion Hall, corner of St. Thomas Street, St. Albert - 7: 30 p.m.

Reports from the Legislature

by Hugh Horner (PC)

By Dr. H. M. Horner, MLA for Lac Ste. Anne

Progressive Conservatives will emphasize 12 situations during the forthcoming session. Many other areas will be debated, but emphasis will be given to these 12.

1. Special crash programs to help offset the serious and rising unemployment crisis in Alberta, combined with longer term programs to help create new job opportunities for younger Albertans in the years ahead.

2. The establishment of new policies to increase the degree of participation and ownership by Albertans in our resources and enterprises, including provisions that Crown licenses whenever feasible, specify opportunities for Albertans.

3. Programs of rural development to stimulate the growth of smaller centres, including improved highway facilities and decentralized government expenditure, all with the objective of equality of opportunity throughout the province.

4. Introduce, as a follow up to last year's Bill 60, a strong alternative legislative program to control pollution and protect our environment, including a Wilderness Act which can only be altered by the Legislature.

5. Review the desirability of the P.R.I.M.E. Program and proposed water use reflecting the lessons to be learned by the Bennett Dam fiasco.

6. Re-structuring of the Alberta Department of Agriculture to emphasize marketing and sales, together with complementary programs to help overcome the serious decline in net farm income in Alberta in 1970 (69 per cent of Alberta farmers had a net income under $1325/year in 1970).

7. An open, public enquiry into electric power, gas and telephone utility operations in Alberta to determine, among other matters, whether or not the existing methods of setting rates reflects adequately the interest of the consumers and how the commitment to farmers of electric power at cost can be enforced.

8. Commitment of substantial provincial funds for housing for lower income Albertans rather than misleading our citizens through over-reliance on federal funds.

9. Greater provincial government assistance to Senior Citizens facing still rising living costs in Alberta, including relief from education property tax and medicare premiums.

10. Better and stronger legislation to protect the citizen against bureaucratic abuses, including amendments to expropriation, human rights and other social legislation.

11. Program budgeting to assure that cost control efforts in education and health do not adversely affect quality of service, together with urgent implementation of the priority recommendations of the Blair Report on mental health now 22 months after submission.

12. Re-organization of Provincial Government Departments to reflect contemporary needs without abdicating responsibility by elected ministers to appointed boards (such re-organization directed along the lines of Mr. Getty's recently suggested new Department of Energy).

by Keith Everitt (SC)

The annual report of the Department of Education has just been submitted to the legislature. It is interesting to note:

1) School population has increased from 401,587 in 1969 to 413,719 in 1970.

2) Cost to educate each pupil, 1954 - $208; 1959 - $301; 1964 - $396; 1969 - $652; 1970 - $726.

3) Number of students attending NAIT in 1970 - 15,376.

4) Number of students receiving financial assistance in 1970 totalled 23,659 Amount of money expended on student assistance in 1970 - $9,299,000 provincially and $10,866,000 under Canada Student Loans.

5) Number of one room schools - 81; Total schools 1,366; Total enrollment - 413,719.

My sincere congratulations to the young students who have received loans for their educational training. Alberta students have had an enviable record in repaying their student loans. In the past five years only $24,418.59 (.0045 per cent of loans made) have been judged uncollectable.

I also note that the Liquor Control Board has submitted its annual report. It is interesting to note:

1) Six hotels throughout the province had cancellation and suspension because of infractions.

2) St. Albert Liquor Store had sales of $494,379 for liquor, $188,466 of beer sales with a net profit of $230,024 for the provincial government from April 1, 1969 to March 31, 1970.

3) A total of 273 interdictions were placed as compared to 338 the year previous.

4) Payments by the Alberta Liquor Control Board to the Government of Canada for customs and excise duties and sales taxes increased to $25,345,717.

5) Alberta Breweries paid $13,793,837 to the Government of Canada for sales tax and gallonage tax.

The provincial treasurer brought down a record budget of $1,207,223,940 expenditure with revenues estimated at $1,040,956,150 with no new taxes and spending trimmed in some areas. A new program with $8,000-000 for the commencement of a program of construction of secondary roads will be of great value and convenience to our municipalities. This should mean that the roads such as from Fort Saskatchewan across the MD to highway 43 may now become a reality. However it is only logical to presume that our MD's will take a close look at other prominent roads such as the Picardville - Alcomdale - Riviere Qui Barre road, the road west of Morinville to Sandy Lake, the Busby-Legal road to Highway 28 and others.

The Sturgeon Toastmistress Club held its very first speaking competition Wednesday evening of last week. Six speakers competed and Janice Evans, whose topic was "Courage" was judged the winner. Runner-up was Shirley Dunik. The speakers were judged by a panel consisting of Paul Muzichuk of NAIT Toastmasters, Chuck Shaul and Morley Brown of the Christopher Course and Vida Grace, an ex-toastmistress. Mrs Evans will now go on to compete at council level. Speakers from all clubs in the Edmonton area will be judged March 26 at the Hillcrest Country Club.

Toastmistresses meet in St. Albert every second and fourth Wednesday at 8 p.m. in the lecture room of the library. Visitors are always welcome. For further information phone Mrs. Saunders at 599-6501.

Prayer Service

March 5 is the day when Christians from 150 countries observe World Day of Prayer. Originally started in Toronto in 1919, the theme for this year's service is "A New People for a New Age."

In Canada, the Women's Inter-Church Council of Canada sponsors the World Day of Prayer and allocates the offerings. Translations of the service are available in English, French, Chinese, Japanese, Braille and Italian.

Locally, the day will be marked by services starting at 9:30 a.m., at the St. Albert Lutheran Church. Mrs. Bev Iwaasa, a family counsellor who makes her home at Stony Plain, will be featured speaker at the ecumenical event.

The Lutheran Church women, along with ladies groups from all St. Albert churches extend an invitation to ladies and gentlemen from St. Albert to join them for prayer in action.

University group off to England

The members of the Interim Board of the Athabasca University with the exception of the chairman, Mr. Justice Clement, leave on Saturday for a tour of two English universities.

Mr. Richard Fowler is one of the board members. They will visit Sussex University in Brighton and Kent University in Canterbury and will be in England about a week. Mr. Fowler said that both of the universities to be toured are college-structured and offer a somewhat less institutional approach. On Tuesday night he was battling a rather bad bout of the 'flu, which he felt might prevent him making the trip.

"Do you want a room with a bath or a shower?" asked the clerk.

"What's the difference?" asked the caller.

"Well," said the clerk, patiently, "with a bath, you sit down."

The music publisher was talking about a new song to his promotion manager.

"I've never heard such corny lyrics, such simpering sentimentality, such repetitious uninspired melody. Man, we've sure got a hit on our hands!"

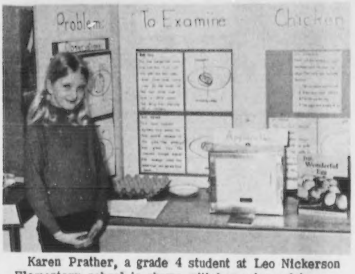
Dan-Jar the robot shown "doing his thing." Built by two grade 5 students at Leo Nickerson school this display will be entered in the Edmonton Regional Science Fair. The young scientists are Kevin Beauchamp and Gregg Carline.

This project is one of six chosen to represent Leo Nickerson School at the Edmonton Regional Science Fair. The brainchild of Brian Mirtle and Kevin Bronson, both grade 6 students, this colorful display features dinasaurs.



Karen Prather, a grade 4 student at Leo Nickerson Elementary school is shown with her science fair project, an investigation of a chicken embryo.

Earl McKenzie, a grade 5 student at Leo Nickerson demonstrates the Spectroscope. Earl's project will be entered in the Edmonton Regional Science Fair.

The changes in water are being investigated by Roy Galloway and Dean Melan. Both grade 6 students at Leo Nickerson, the boys were chosen to enter their project in the Edmonton Regional Science Fair.

What makes a volcano work? Ronald Nymeyer, a grade 4 student at Leo Nickerson knows! Ronald will demonstrate his findings at the Edmonton Regional Science Fair.

Around Town

Robert Rundle Elementary school invites parents of students to visit the school on Wednesday, March 10, anytime between 9 a.m. and 2:15 p.m. Regular classes will be in progress and parents may visit the rooms of their choice.

Ken and Vivienne Hayes are happy to announce the arrival of Christopher Matthew, Feb. 26. Proud grandparents Geoff and Audrey Wright.

CAROL WOYTKIW
Top scorer with 67 points to her credit.

ROBERT SUPERNANT
Top scorer in boy's league with 94 points with an average of 15 points per game.

CARMEN HOULE
Second highest individual scorer in the league with 59 points.

Morinville Basketball stars

Georges P. Vanier High school in Morinville boasts two top scoring stars in the girls "C" Basketball Ldague and the top scorer in the boy's league. Legal, Redwater, Westlock and Morinville comprise the league.

On The Sport Beat

By Rose Martel

Morinville is out of the B hockey playoffs. To date Namao and Villeneuve have both won two games each and the fifth and final game of the semi finals has not yet been decided at press time.

MIDGETS

Last week Morinville lost 5 - 1 against the St. Albert Wildcats and lost 4 - 6 in a hard fought game with St. Albert Cougars. On Saturday the midgets completed their regular season of play by shutting out Bon Accord 5 - 0 on home ice.

Goals were scored by Roger Chalifoux, Gary Short Terry Maslyk, Bruce Lambert and Bob Riopel. Assists went to Terry Maslyk with two and Bob Riopel with one.

BANTAMS

Led by the strong goaltending of Raymond Short and goals by Tony Ring and Raymond Short, Morinville came out on top over Gibbons 2 - 1. The lone Gibbons goal came from the stick of Garth Rowswell.

PEEWEE

The lone goal scored by Morinville at Redwater was credited to Raymond Short assisted by Gary McNutt as the peewees lost 4 - 1 in a good fast game.

Brian Hermanutz was the star of the game as Morinville defeated Gibbons 4 - 2 He scored two goals and was credited with one assist. Other goals were scored by Jack Kool and Frank Schafers. Rob Draper and Douglas Pelletier scored for Gibbons.

SHAVERS

Morinville goalie Barry Hardy played like a senior league star in a fast game on home ice which saw Morinville down Legal 7 - 2. Goals were credited to -- Dwight Bokenfohr, James Kryskow, Robert Woytkiw, Danny Blackburn, Dwight Bokenfohr, Kevin Smith and Larry Hunter.

Legal marksmen were Wallie Fizzer and goalie Tracy Roulston.

At Legal's carnival goalie Barry Hirky scored a shut-out game while James Kryskow, Danny Blackburn and Dwight Bokenfohr picked up singles for the third win.

Two types of women are out looking for husbands nowadays. Those who are single and those who married golfers.

Morinville hosts Guide meeting

Morinville Mother's Local hosted an organizational meeting with 39 present in the Morinville Recreation Centre last week. Purpose was to discuss the formation of a local district, a division for the area and grouping of local districts into a guiding committee with each having their own local guide commissioners including their own choice of area commissioner at a later date.

Present were representatives from Bon Accord, Gibbons, Morinville, Redwater, St. Albert and Winterburn. Mrs Mary Beatty, provincial commissioner, was introduced by Division Commissioner Mrs. Marion Brostrom of St. Albert. Also present were Mrs. Pat Coward, deputy division commissioner; Mrs. Willie Stefiuk, district commissioner; Mrs. Leta York, district commissioner; Mrs. Mary Smith, deputy commissioner; Miss Pauline Vaugeois, district commissioner; Mrs Lorraine Emstie, deputy district commissioner.

Mrs. Beatty explained the necessity for each area in Northern Central Alberta to be mapped out and divided into areas, divisions and districts, each with their own local commissioners to function properly. At the present time commissioners from urban areas are being delegated to supervise rural divisions and districts This should not be necessary remarked Mrs. Beatty.

She named the areas under present expansion and local organizations lacking local commissioners. New areas being planned include Athabasca, Slave Lake, Barrhead and Westlock to the north; Spruce Grove and Stony Plain, Winterburn to the west. St. Albert now has two full divisions of their own and cannot be expected to continue providing commissioners for the rural companies and packs in the area. It was suggested that an area be formed between St. Albert and Westlock. Divisions could be mapped out and local districts could be grouped with Morinville and Legal with one district commissioner, and Bon Accord, Gibbons and Redwater with another commissioner serving these groups.

Each local was left free to suggest names for their own choice of district commissioner. Each local was also free to support the establishment of their own division and area committee and representatives.

A vote of thanks was voiced for the good council given by Mrs. Beatty. A lunch was served and the evening was ended with an exchange of ideas of various groups.

Calahoo

Willie Lischewski is presently attending NAIT. He is Mr. and Mrs. Ferd Lischewski's second son and lives and works at Jasper, Alberta. While in the city Willie is staying with his sister Gertrude, Mrs. Gordon Bergstreiser.

Mrs. Herbert Bergstreiser is still in the Glenrose and your neighbors wish you well Herta. Come home soon.

The back wheel of the truck decided to part company while Mrs. P. McLeod was enroute home from church last Sunday so she missed the liquid embroidery party held at Mrs. R. Alice Schmermund's home. While waiting for the tow truck to come many thoughtful passers by stopped to help. Henry and Joyce Bergstreiser went and told Pete of his wife's plight and he came but there was nothing anyone could do so the garage was contacted.

Council

Continued from page one

property would be devoted to a park?" asked Councillor Lukay. Councillor Kambouroff and Mayor Gibbon both pointed out that the school board was not being held up and were free to go ahead with the new school. "Are they going ahead?" asked Councillor Lukay and he suggested that the board be invited to the next committee meeting. Councillors Russell, Kambouroff and the mayor all stated their position that the disposition of the town's portion was strictly a matter for council's decision. They also noted that the board would have opportunity to purchase the land if council should decide to sell.

A motion to invite the board to committee meeting was lost 3 - 2, with Lukay and Mayor Gibbon in favor.

Also under new business Mayor Gibbon moved that the snowmobile by-law be considered by council at their March 22 meeting, and he suggested that the machines used in St. Albert should be confined to corridors leading in and out of town only.

Councillor Lukay was concerned that the town was not following the general zoning plan as approved in 1968 and that council should have a concept of maximum boundaries and population. He felt also that transportation and traffic problems could become serious and the planner should be reviewing the 1968 plan. Councillors Russell, Kambouroff and Mayor Gibbon pointed out that the basic plan was still valid, that council was in fact following it. They also pointed out that the question could not be fully discussed by council in the less than 30 minutes left before 11 p.m. A motion by Councillor Lukay that council conduct a review of planning and how new areas were being tied in with existing ones, was lost 3 - 2, with Mayor Gibbon supporting Councillor Lukay

Ernest Meunier honored on retirement

Mr. J. Ernest Meunier of 1 Madison Avenue has retired from Northern Alberta Railways after 29 years of service.

Mr. Meunier joined NAR in 1942 at Waterways and lived and worked in High Prairie before settling in St. Albert in 1956 to work at Dunvegan Yards.

Terminal manager Mr. G. Waite of St. Albert presented Mr. Meunier with a NAR wallet and purse at a staff party held in the latter's honor Jan. 26.

Mr. and Mrs. Meunier who have a family of nine children, five of whom are still at home, plan to take things easy in their retirement.

Mr. Meunier who is organist at the Catholic church will now be able to spend more time on his music and take in the odd hockey game.

Mr. Ernest Meunier who celebrates his 65th birthday last month relaxes at home enjoying his retirement from NAR after 29 years of service.

Zoning matters

Continued from page one

commission becomes a fourth body, along with the federal, provincial and municipal governments, involved with parks, and that regional parks should be the responsibility and the expense of the province.

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

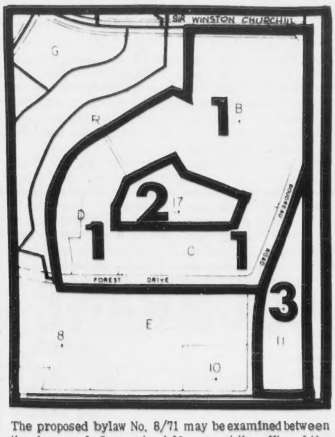
The purpose of the hearing is to rezone:

Areas 1, 2 and 3 presently zoned RESIDENTIAL COMPREHENSIVE (RX) be rezoned as follows.

Area 1 - Block 8, Lots 1 and 2, Block D and Block C to be zoned to RESIDENTIAL SINGLE FAMILY (RIC).

Area 2 - Lot 1-R, Block 17 to be rezoned to PUBLIC USE (P).

Area 3 - Lot 1-R, Block 11 to be zoned to RESIDENTIAL MULTIPLE FAMILY (R3A).



The proposed bylaw No. 8/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers, on the 5th day of April 1971 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the thirty-first day of March, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell
Secretary-Treasurer.

New church in St. Albert for St. Peter's parish

While the whole world changes - changes so rapidly that it is difficult, if not impossible, for man to keep abreast of it, the faith of the church does not.

The new St. Peter's Evangelical Lutheran Church has been designed to reflect the steadfast, never-changing power and strength of a church built on the Rock of Peter's confession of faith in the Christ: "Thou art the Christ, the Son of the Living God."

Architect Peter Hemingway has planned the structural design and use of materials to express this concept. A huge triangular slab of slate forms the roof, and triangles form two glass and concrete domes over the entry and vestibule area, suggesting the holy trinity.

Solid squared concrete forms the entry, which with barred doorway and ring are reminiscent of the early church in St. Peter's time. Open beams of sand-blasted wood and simply cut concrete for walls, altar and baptismal font, will carry out the idea of solid rock-like strength in the interior.

The shape of the church, which is wider than it is long, was planned to bring the congregation close to the altar and the pastor, with wide pews in a close semi circle, rather than rows of pews stretching far back from the altar, indirect lighting will supplement that from the skylight in the roof at the rear of the church.

The $45,000 structure will have a capacity for 130 to begin with, and will be able to serve a parish of about 260 members. An enclosed space at the back of the church, behind the altar area will serve as a Christian education centre, but as the parish grows this space may be used to enlarge the church, and a separate building erected for education.

St. Peter's Evangelical Church is a member of Wisconsin Evangelical Synod, the largest conservative Lutheran Church body.

It is expected the building, going up in Strand Place, will be completed in early May. Contractors are Hart Construction Ltd.

The parish is served by Pastor Daniel Deutschlander.

Young pastor for new church

Pastor Daniel Deutschlander came to St. Albert in June last year, replacing Pastor Klaszus who had formerly served the congregation of the Lutheran Church under the conservative Wisconsin Evangelical Synod.

DANIEL DEUTSCHLANDER

He began training for service under the synod during his high school years at Concordia Lutheran Academy at St. Paul, Minnesota. After obtaining a Bachelor of Arts degree in 1964 from Northwestern College, he continued his studies and graduated from Wisconsin Lutheran Seminary in Milwaukee with a Bachelor of Sacred Theology in 1968.

Following a year teaching high school at Martin Luther Academy in Minnesota, he served two congregations in South Dakota for a total of four years as Pastor. As a vicar he served parishes in California, Michigan, Pennsylvania, New Jersey and Florida, before being called by Wisconsin synod to St. Albert at Easter in 1970.

The training program required mastering of five languages: English, German, Latin, Greek and Hebrew, and 12 years of study The pastor, who is not married, is 29 years old and lives in St. Albert.

Pastor Deutschlander serves a small congregation in St. Albert and also the synod's congregation in Birrhead. He is enthusiastic about the new church going up for St. Peter's Parish here, and feels it is ideally located to serve the future growth of St. Albert and district.

Council is firm on bonding policy

Developer Joe Jerry will be asked to provide the town with a letter of credit in the amount of $150,000 to meet bonding requirements in the developing of Riverlot 46 in Stage One of Forest Lawn. Mr. Jerry had requested that a former policy of council requiring $500 per lot for bonding be used, instead of the present policy of 50 per cent of the cost of construction. Council did not approve this request and the $150,000 represents 50 per cent of construction cost. (Under the former policy cost to the developer would have been $67,500 for bonding). Vote was 4 - 1 with Councillor Lukay opposed.

The cigarette machine in the arena will be removed. Councillor Kambouroff pointed out that it was a nuisance in that it was frequently plugged up, and that since there is no smoking in the arena, cigarettes should not be sold there. Vote on removal was unanimous.

Council approved committee's recommendation to accept the submission of Edmonton Regional Planning under which member municipalities will adopt policies for the Big Lake area to protect its potential for recreational use. Vote was 4 - 1 with Mayor Gibbon opposed on the grounds that such action discriminates against some of the oldest citizens of this area, who are entitled to a fair price at going rates of surrounding land, for their property, when they wish to sell.

Requisition of the Sturgeon Health Unit at the per capita rate of $3.25 for the 1971-72 year was approved by a 4 - 1 vote.

Unanimous approval was given a proposed trailer park to be located in MD Sturgeon west of 142 Street in the vicinity of 137 Avenue. Council's approval was requested by the Regional Planning Commission.

Councillor Lukay agreed to take the place of Councillor White in the Emergency Measures Organization, as Mr. White had asked to be replaced, due to his lack of interest in this subject.

Councillor Lukay said he felt this work to be important, and he would take it on, but stated that council should have a co-ordinator as well, "otherwise it is a waste of time and money." Councillor Kambouroff felt that if a co-ordinator is appointed, he should attend the EMO meetings, rather than the councillor. He said also that the co-ordinator if appointed should have adequate time to devote to the organization, and to working with such staff members as the fire chief, and to keeping council informed. "The councillor is not the man who will be directly involved if an emergency should occur," he said.

Mayor Gibbon did not agree and thought both a councillor and co-ordinator should attend EMO meetings. "Our hospitals and schools want EMO and there are many illustrations of the organization helping a municipality in various kinds of emergencies" said the mayor. A motion appointing Councillor Lukay and authorizing him to investigate the matter of a co-ordinator carried 4 - 1 with Councillor Kambouroff opposed.

Newcomers

We welcome the following newcomers to St. Albert:

Mr. and Mrs. J. Heemeryck and family; Mr. and Mrs. J. King and family of Sturgeon Heights.

Mr. and Mrs. L. Rozenhart and family; Mr. and Mrs. T. Lambourne and family; Mr. and Mrs. D. Roulstone and family of Braeside.

Mr. and Mrs. H. Cochrane (wife moving to St. Albert in June) and family of Grandin Park.

Mr. and Mrs. H. Nagac and family of Mission Park.

Pig and Whistle Coming to Legion

A good turn out of members and guests enjoyed music by Hal Anderson and his Moonlighters at the Legion Hall, Feb. 27.

The door prize was drawn by the president of the Ladies Auxiliary, June Kendel, whose face turned crimson red when she realized she had pulled her own ticket. More power to those who help themselves. The spot dance was claimed by Deane and Mrs. Draney, who just happened to be at the right place at the right time, which is a habit with Deane anyway.

Paul Lefebvre and his entertainment committee are capably handling the entertainment. Coming attractions include a country and western nite with a four-piece band on March 6; and for the first time at St. Albert Legion - A Pig and Whistle nite on Friday the 12th. Fred Austin will do the honors as the publican MC. Also featured are Tommy Ramsay on the organ, Mrs. Miller at the piano, with Jim Todd doing the vocals. Tickets at $1 per person will include door prize and snacks. Reservations may be made by calling 599-6303.

Saturday, March 13 will see the usual open social with Tommy Ramsay supplying the music.

St. Patricks will be celebrated by the Irish and those who wish they were with Hal Anderson back with his Moonlighters. The ladies auxiliary will most certainly dish out Irish stew.

The Legion bingo will take place at the Community Hall on March 19. For particulars see the posters aound town and further announcements in the Gazette.

Members are reminded to renew their memberships for 1971. Stan Rees will take renewals until March 31, after this date unclaimed cards will be returned to provincial command.

Renewal cards are now on hand only till March 31. After which time all unclaimed membership cards will be returned to Provincial Command. All members not yet paid up would be well advised to send in their membership subscriptions to Secretary Stan Rees and get your new 1971 card.

Admission may be denied and any Legion facility after the expiry of this term of grace.

The 12,600-foot-high rim of the moon crater Copernicus towers higher above the crater floor than do the Rocky Mountains over Denver's mile-high plain, National Geographic says.

An inch of rain falling evenly on an acre of ground equals 27,205 gallons of water. Such a rainfall on Washington, D.C., for example, would drop 1.2 billion gallons of water on the Capital.

ANNUAL MEETING

ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6

Public Notice is hereby given that a meeting of the electors of the St. Albert Protestant Separate School District No. 6 will be held in the gymnasium of the Sir Alexander Mackenzie School on March 10, 1971 at 7:30 p.m. for the purpose of discussing school affairs for the year ending December 31, 1970.

Dated at St. Albert this 24th day of February, 1971.

D. L. WHITE,
Secretary-Treasurer.

Pack formed in Legal

February 21 was a very special day for the First Legal Brownie Pack.

Ceremonies began at 2:30 p.m. when Miss Pauline Vaugeois, district commissioner in St. Albert, and Mrs. Diane Sandomirsky, deputy training commissioner arrived from St. Albert. Leaders Mrs. Mary Ann Enright, Mrs. Phyliss Allan, and Mrs. Lorraine Kremer were enrolled. The following brownies were enrolled: Maria Theberge, Sharon Dube, Paulette Dube, Gisele Brisson, Barbara Allan, Christine Frank, Susan Frank, Christie Bukowski, Bernadette St. Jean, Susan Maurier, Yvette Pelletier, Yvonne Pelletier, Henriett Cyr, Benita Cyr, Michele Kremer, Marlene Champagne, Collette Bernard, Marie Letourneau, Gertrude Laforce, Lorretta Fizer, Doris Letourneau, Gwen Flohr, Rachel Lequerrier, Cindy Moncreif and Launa Montcreif.

Following the ceremonies guests were served coffee, tea, and cookies by the First Legal pack.

Special thanks to Miss Pauline Vaugeois, Mrs. Diane Sandomirsky and to all the parents who attended.

Gwen Flohr about to make her Brownie Promise with Mrs. Diane Sandomirsky and Angela Golden.

Hon. Grant McEwan to Open Skate a thon

Lieutenant-Governor Dr. J. W. Grant MacEwan will officially open the annual Kinsmen Club of St. Albert Skate-a-thon which this year will be held Sunday, March 21 in the new St. Albert and District Arena.

The popular Alberta statesman, who has marched and skated more miles than most people ever will, will tie on the blades and open the fund-raising Kinsmen community project at 10 a.m., skating with the eight and under age group.

Last year 460 young and young at heart skaters took part in this popular event. This year skaters will be separated into four different age groups, skating in two hour stints from 10 a.m. to 6 p.m. Proceeds from the skate-a-thon will help the Kinsmen complete their $45,000 financial support commitment to the arena.

Skaters will try to complete a maximum of 100 laps after having subscribed a list of sponsors.

Pledge cards are now available at Emery's Pipe Shop, the St. Albert Gazette St. Albert Library, the Arena and from all St. Albert schools and minor hockey coaches.

Woodcock to seek Liberal Leadership

Rod Woodcock, a 24 year old Political Science student at the U of A announced that he will seek the leadership of the Liberal Party in Alberta.

Mr. Woodcock, of 19 Seymore Cres., joins another local hopeful, St. Albert town councillor Robert Russell. John Day, U of A student from Edmonton Glenora is the third declared candidate.

The Liberals are holding their leadership convention at the MacDonald Hotel in Edmonton, March 13.

Mr. Woodcock, who is currently serving a term as president of the St. Albert provincial Liberal Association and is a director on the executive of the Edmonton West Federal Liberal Association cites several issues he is concerned with but feels the party is ignoring.

Calling for greater economic independence from the United States, he said "the most immediate issue that the Liberal Party must come to terms with is the overwhelming desire of Canadians to unequivocally commit themselves to the goal of preserving a Canadian national identity.

Mr. Woodcock also stressed the necessity of re-establishing the credibility of all political parties as viable democratic links between the public and governments

Among those political reforms he feels are needed to accomplish this is the abandonment of the practise of soliciting campaign funds primarily from the large corporations; instituting a limited system of tax deductible political donations and requiring full public disclosure by parties of all monies collected for political purposes.

Discussing social issues, Mr. Woodcock said: "Our society may well find that it will have to change many of its currently held beliefs on matters such as drugs and abortion. The element of individual choice involved in such matters is not something that can be legislated upon by society."

A member of the Liberal Party for three years, Mr. Woodcock has attended many of the party's conventions and policy seminars including the Western Regional Policy conference held in Edmonton last June and the National Liberal Party Conference held in Ottawa last November.

A practical politician is one who finds out which way the crowd is moving, then elbows his way to the front and yells like blazes.

Legal Locals

By Lucienne Montpetit

A retreat for the English speaking ladies will be held March 9 - 10 at the Star of The North Retreat House in St. Albert. Anyone interested is asked to contact Mrs. Anita Maurier.

The CWL will hold their annual St. Patrick's bake sale on March 13. Cushions will also be raffled. Baking donations will be greatly appreciated.

The figure skating club will hold their bake sale on March 6. Proceeds for the arena. Baking or money donations will be greatly appreciated.

Mrs. Fizer is at home recovering after spending sometime in the hospital.

Mr. and Mrs. Louis Demers have returned from a trip to California.

Kinsmen minor hockey

SHAVER "B"

Neil McRae scored four goals to lead the Beavers to a 6 - 3 win over the Badgers. M. Stevens and D. Throndson added singles while Badger scorers were M. Slebrasse and B. Lewis. Beavers are leading the league with a 5 - 3 record.

SHAVER "A"

Tigers shut out the Cubs 7 - 0 on a hat trick by Pat Gau and singles from Claude Joly, Michael Guilberg, Mark Burry and Jeff Gibson.

Broncos and K of C played to a 3 - 3 tie with T. Kemps scoring all three for the K of C team. Darren Leask, Michael Hill and Trent Parayko scored for the Broncos.

Bears defeated the Cougars 3 - 1 Tuesday night on goals by Benard Ogonoski, Jogi Hiratsuka and Andre Lavalle.

MITES

T. Shipanoff and C. Greening scored two goals each to pace the Rockets to a 4 - 2 win over the Jets. Barry Thachuk and Brad Dutnal counted for the losers.

K of C with Kelly Ratchinsky in goal blanked the Quakers 8 - 0. Ray Enright led the way with three goals with Gerry Klein adding two and Doug Bendera, Larry Enright and Scott Gordon with singles.

Flyers scored a close 3 - 2 decision over the Rockets on two goals by L. DeLeeuw and a single by R. Fisher. T. Shipanoff and C. Greening scored for the Rockets.

Marty Scheibelhofer scored five big goals to pace the Totems to a 7 - 0 win over the Warriors.

Nuggets and Spurs fought to a 3 - 3 deadlock with Lon Eschak scoring two for the Nuggets and David Carron two for the Spurs.

Rangers and Jets also tied three all with Jim Forcand, Quin McKendry and Kevin Telford replying for the Rangers and Barry Thachuk with two and Danny Kehoe for the Jets.

Ray Sawka and A. Genth scored three each to lead the Quakers to a 9 - 1 win over the Warriors.

K of C shut out the Eagles 5 - 0 on two goals each by Larry Sander and Doug Bendera. Scott Jordon added the other.

Kent Middleton and Brad Dutnal scored for the Jets in a 2 - 0 win over the Eagles.

PEE WEE

Keith Wolodko and Roy Galloway scored two each to lead the Warriors to a 7 - 3 win over the K of C squad. Grant Neilson, Albert Parris and Dean Roy added singles. David Shipanoff scored two goals for the losers and I. Brindle added a single.

E. Bergman and T. Leddy also scored twice each to pace the Red Wings to a 5 - 0 win over the Fire Department. S. Ratchinsky added the other.

Red Wings also scored a 8 - 2 win over the Monarchs on a hat trick from T. Weiss, two from E. Evaniw and singles from E. Bergman and T. Leddy.

Warriors scored a close 2 - 1 win over the Barons on two goals by D. Budney and one by Keith Wolodko. B. Breakey scored for the Barons.

ERIC BERGMAN

Eric Bergman scored five times and S. Ratchinsky three to lead the Red Wings to a 11 - 3 win over the K of C team. R. Dent scored twice for the losers.

Mustangs upset the Warriors 2 - 1 on goals by Joe Tworek and Graham Brown. Brian Harris counted for the Warriors.

Ian Grant and R. Walin scored for the Oilers as they shut out the Fire Department 2 - 0.

Oilers also shut out the Monarchs 7 - 0 on two goals each by Doug Belley and Garry Walin, with Ryan Chambers, Ian Grant and Kevin Keith adding the others. Joe Rapati was in goal for the shut out.

Legion scored a 9 - 3 win over the Monarchs with Mark Brostrom, Ron Lastwika, Ron Sander and Richard Fowler scoring two each, Lorie Loshak added the other. G. Young and J. Klein counted for the losers.

Bantams

Gary Bruens scored three times to lead the Black Hawks to an 8 - 0 win over the Co-op team. Dick Commandeur added two with singles coming from Marice Villee, Jack Werbecki and John Koch. Terry Keiser was in goal.

Canadians blanked the Stedelbauer crew 4 - 0 on two goals by Claude Regimbald with singles going to Maurice Isaac and Jeff Holden. James Starko was in goal for the shut out.

MIDGET

Fort Saskatchewan shaded the St. Albert Bruins 3 - 2 last week in the arena.

Bruins scored a close 2-1 win over Leduc Auction Market on goals by Doug Reinbold and Ron Dawes. Cary Winquist was very sharp in goal for the Bruins J. Schnick scored Leduc's only goal in a game played in the arena last Monday.

On Sunday the Bruins travelled to Wetaskiwin and were defeated 5 - 2. Penalties proved costly as Wetaskiwin won the game in the third period.

Terry Dube (centre front) is all smiles after the Comets 8 - 5 win over Edmonton Nut and Bolts. Dube scored one of the goals as did Ron Kalita (top right) and Rick Pugliese (to the right of Dube). Al Laplante (lower left) and Jim Read (right) each scored twice. Goaltender Bernie Alain (top left) played a strong game.

Comets Tied For Fourth Spot

By winning their last three games the Comets are now tied with Ray's Esso for fourth and last spot in the Edmonton Central hockey League. The chance of them staying there is slim as Ray's have two games left to play with Leduc and CFB. They will probably have a tough one against Leduc but will no doubt take CFB.

The Base team is having problems coming up with enough players to play as was evident last Sunday when they advised the Comets, 40 minutes before game time they only had six players and weren't coming. This didn't sit too well with Comet management as a game was scheduled and fans were already in the arena. After some hectic phone calls the Comets were able to have Ray's Esso come out (six players) and with Ray Lamer from the Comets, together with Danny Vars and Lyle Bennett from the RCMP, a game was played. As usual the pick-up team was hot to go and had no trouble in defeating the Comets 10 - 4.

Last Wednesday the Comets took on Ray's Esso in Nemao and came away with a well deserved 6 - 2 win. A loss here would have ended the Comets playoff hopes. Leading scorer Jim Read was sharp and scored three goals while Fred Hesse added two more. Fred has been laying off the cheap penalties and has been playing steady hockey. Comets other goal came from Frank Joyal who had his nose cracked in last Sunday's game during the first period.

On Friday Comets jumped into a 5 - 2 first period lead on two goals by Jim Read and singles from Fred Hesse, Terry Dube and Ron Kalita. Both clubs scored twice in the second and once each in the third as Comets preserved their 8 - 5 win. Al Laplante scored twice with Rick Pugliese adding the other. Comets took six of the nine penalties called.

Joe Cassidy was voted St. Albert's most valuable player.

STONY PLAIN EAGLES

Friday March 5 - 9:00 P.M.
St. Albert Arena

Sunday March 7 - 2:30 P.M.
Stony Plain Arena

Capt. Fred Hesse (foreground) scored twice in the game against Ray's Esso in Namao last Wednesday. Linemate O'Neill Chevallier (centre) and Ron Kalita also played well as the Comets won 6 - 2.

COMETS GO AGAINST EAGLES IN PROVINCIAL PLAYOFFS

The first game of the two game total goal provincial C playoffs will get underway this Friday in the St. Albert Arena with the Comets hosting Stony Plain.

Coach Ron Yanosik feels that if he gets a good solid performance from Bernie Alain in goal his troops could upset favored Eagles.

The Eagles finished first in the Edmonton Central League where the Comets toil in.

There are three doubtful starters for the Comets with Knisely and Lynes out with knee problems and Joyal with his broken nose. Yanosik will probably have his boys playing a defensive type game, waiting for the brakes and then hoping to have Read, Laplante or Hesse score the odd goal.

These three players have been getting the most goals to date, and will no doubt lead the way.

Second game of the series will be held in Stony Plain on Sunday at 2:30 p.m.

Last Monday morning the ice in the new arena was shaved for the second time this year as the ice build-up was making it hard to see the markings. The shaver can be set to take up to about 3/4 to one inch of ice off at a time.

U. of A. Grads Here Tonight

University of Alberta Grads will tangle with the Comets in what should be a most enjoyable game for young and old. The Grads line up looks impressive with a number of players being familiar with hockey fans.

One of the most colorful will be old pro Bob Solinger who seems to get better with age. Solinger has played pro with the Toronto Maple Leafs, Edmonton Flyers, Edmonton Monarchs and has coached in these circles also.

Roger Gelinas was an adviser on Canada's National team in Winnipeg and was a director of the Edmonton Monarchs as well as a player.

Brian McDonald played junior hockey for the Regina Pats and would probably have gone higher in the Montreal organization if he was a little bigger.

The Comets are giving away four cases of coca-cola from lucky numbers drawn from the game program.

VANCOUVER VS. LOS ANGELES

ST. ALBERT RESIDENTS

Attention Hockey Fans -- Names are now being collected by Helten Travel for a group flight to Vancouver for the April 4th hockey game -- Los Angeles vs. Vancouver. Anyone interested may leave their name and a $25 deposit (completely refundable) at Helten Travel by March 12, 1971.

12 PERRON STREET, ST. ALBERT.
PH: BUSINESS: 599-8400 -- RESIDENCE: 599-6944

MEMBERS OF THE ST. ALBERT WILDCATS MIDGET TEAM shown in front of the bus at 8 a.m. at the Grandin Shopping Centre last Saturday shortly before departing for a 247 mile trip to Fort McMurray. The ride must have affected the team as the boys lost the first game 11 - 3 and the second 8 - 2. The double loss put St. Albert out of further play-off competition.

Basketball Tourney at V.G.

The North Central Zone basketball finals were held at Vital Grandin gym on Saturday and after a full day of exciting basketball, the Fort Saskatchewan girls and Concordia College boys advanced to the provincial finals.

In the first game Athabasca girls and Stony Plain had a very close game with Athabasca coming on strong in the last few minutes to win 43 - 37. In the first boys game St. Albert won out over Stony Plain 38-28. Although both teams were having shooting problems, St. Albert turned in a solid defensive game and kept the Stony Plain score down.

The second girls game of the day saw Fort Saskatchewan control the game throughout to eliminate Drayton Valley. In boys play Drayton Valley stayed close to Concordia College for the first half, but Concordia took control in the second half and finished with a 40 - 24 victory.

In the girls final, Fort Saskatchewan never were in difficulty as they took an early lead, despite an excellent effort by the Athabasca girls, and went on to a 15 point victory.

In the boys final, the game was decided in the first half as Concordia sharpshooters were hitting consistently while St. Albert had difficulty finding the basket. In the second half St. Albert played a much stronger game but Concordia was equal to the challenge and emerged with a convincing 64 - 38 win.

During the afternoon, the cheer groups representing the teams participating in the tournament took part in a competition and after some very entertaining cheering performances, the girls from St. Albert High were judged to be best and were the happy recipients of the cheerleading trophy.

Exhibition hockey

St. Albert Wildcats hosted Morinville last week and came up with a 5 - 1 win on goals by G. Peters, D. Glacier, D. Wallin, J. Jensen and A. Jensen. G. Short scored the lone Morinville goal.

Black Hawks scored a 7 - 1 win over Wellington Bantams in a game played last Saturday at Mission. Terry Keiser led the way with two while Gary Bruens, Jack Werbecki, Chris Hoffart, Richard Carignan and Sandy Millroy added singles. Wayne Hemrick scored for Wellington.

Morinville peewees upset the Fire Department 5 - 3 on two goals by Tony Ring. Blair Iseke had two for St. Albert with Chris Perrault adding the other.

JUVENILE

Stony Plain defeated St. Albert in both games of the two game total goal series. The first game was 6 - 3 with George Van scoring two for the winners while Elwood Freeman, Allan Reid, Jim Schulte and Tom Stevenson added singles. Jan Kristenson scored two of the Bruins goals with Fergy Evans adding the other. George Coward played a strong game in goal for the Bruins.

HOCKEY NIGHT IN ST. ALBERT

(LIONS VERSION)

St. Albert Lions will tangle with the Unemployment Insurance Commission team this Saturday night from 9:30 - 11:30 p.m. in the Arena. This should be very entertaining as Lion President (Flash Ward) will be participating.

Public Skating

WEEKENDS:
SATURDAYS -- 7 - 9 p.m.
SUNDAYS -- 2:30 to 4:30 p.m.

WEEKDAYS:
TUESDAYS AND THURSDAYS -- 4 - 5:30 p.m.
MOTHER AND PRE-SCHOOLER
WEDNESDAYS -- 10 - 11 a.m.

NOTE SUNDAY, MARCH 21 and SATURDAY, MARCH 27
ALL PUBLIC SKATING IS CANCELLED

CLIP AND KEEP FOR REFERENCE

Another red letter day for the St. Albert and District Arena. That precious slip of paper Rene Kambouroff is holding on to for dear life is a cheque for $500, payable to the Arena Fund, being presented to him by Mr. Harry Cochrane of 105 - 6 Gainsborough Avenue.

The appraiser had been sent to a home to take inventory of its contents. His entries started with: "One bottle of old Scotch whisky-partly full. One bottle of rye-half full. One revolving Turkish rug."

Morinville Memos

The Morinville Ice Carnival will be held on Sunday, March 14 in the Morinville Arena beginning at 2 p.m. The theme this year is "The Four Seasons." John Saunders will be the emcee and good time is assured for family groups of all ages. Some 60 skaters will take part and the Morinville Lions will again hold a spectacular fashion show of their own. The Morinville shavers will also entertain at intermission time with all the future Bobby Orr's, Phil Esposito's, Dennis Hull's displaying their best in this exhibition game on home ice.

The Morinville guides will hold a paper drive in Morinville on Friday, March 19 beginning at 4 p.m. Residents are requested to save all used newsprint and magazines and bundle or box their supply for easy handling by the guides. Rural householders will be able to support the guides, as a truck will be parked on main street on both Friday and Saturday near Paul's Confectionary for all country folks to drop in their donations of used paper goods.

The wine and cheese party sponsored by Les Femmes Chretiennes in Morinville netted the sum of $338.05, and this will apply to help pay for the parking lot hard top at the recreation centre.

Recent folks reported on the sick list include Mrs. Alice Devolder and Miss Joan Legge.

Mr. and Mrs. Leandre Sylvestre entertained on the occasion of Mrs. Sylvestre mother's birthday, Mrs. Joe Nadeau of Picardville. It was a family gathering and dinner with a social evening at the Sylvestre home in Morinville.

The Morinville Library Board held their annual meeting recently. Mrs. Marie-Paule Kremer was re-elected president for a second term by acclamation Vice-president is Albert Ouellette; secretary-treasurer Rev. Sister Lucianna; directors - Roger Blackburn, Jeannette Nobert and Cecile Gregoire. Miss Angeline Leduc is the librarian. Family fees are set at $3. Individual memberships are also available. Library hours are Monday 2 - 5 p.m., Tuesday 7 - 9 p.m., Wednesday - Closed, Thursday 2 - 5 p.m., Friday 7 - 9 p.m., Saturday 10 a.m. till noon.

Mr. and Mrs. Romeo Boissonnault have returned from a trip to Mexico. They flew by chartered plane and spent nine days on the sunny beaches. Roch De Tennancourt, son of Mr. and Mrs. R. De Tennancourt of Morinville was a weekend visitor in the old hometown, and reports a very good motor trip to Mexico recently.

The Morinville Lions recently held a ladies night supper meeting at the Morinville Hotel with Lion President Frank Brennles chairing the meeting. Six new Lions members and their ladies were introduced. The new members are Lion Don Kotylak, Douglas Ramer, Peter Bess, Ed Barr Mohamed Butt, David Wiley. Also present were 14 members from the new Westlock Lions Club, recently sponsored by Morinville Lions. Slides from Barkerville and Virginia City on the Caribou Trail were shown by Lion Art Stapleton.

W.I. 12 Years in Calahoo

By Liz McLeod

The regular monthly meeting of the Calahoo WI was held Feb. 23 at the home of Mrs. G. Schmermund. All 14 members were present and the meeting welcomed a visitor, Lucienne Vader.

The meeting opened with the reciting of the Creed, followed by reading of the minutes and the treasurers report.

Correspondence consisted of a letter from the Leper Mission. The Rev. C. J. Smith of the Mission agreed to be speaker at the June meeting.

Mrs. V. Albrecht read her handicraft letter from District 11's convener Mrs. Robert Holt of Sangudo as there are some additions in what can be entered for judging at the tea which will be at Stony Plain this year.

Used stamps are of prime importance to be sent to Rev. Smith as this is one way of raising funds to help the lepers. Rev. C. J. Smith, 9215 - 77 Street, Edmonton is the address.

The cook books have arrived and the members have them for sale at $1.50 each.

The secretary was asked to invite Sangudo WI to the April meeting at Liz McLeod's.

Mrs. Mary Dalheim reported she had a very pleasant dinner date at Drayton Valley on Feb. 22 as constituency convener and was very interested in their forthcoming flower show. Date of which will be announced.

Mrs. V. Betty Albrecht received her AWI pin for her first year of regular attendance.

Mrs. C. Lena Bergstreiser, Mrs. F. Elsa Lischewski, and Mrs. P. Liz McLeod achieved 12 years regular attendance in this active group.

The door prize was brought by Edna Guenette and won by Alice Schmermund.

Happy birthday was sung to Liz McLeod and friendly visiting during lunch climaxed this evening.

The March 23 meeting will be held at 8:30 p.m. in Mrs. W. Toni Christen's home and visitors are always welcome.

Town of St. Albert

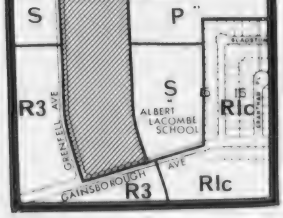
Notice of Public Hearing

TOWN OF ST. ALBERT
NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone:

Block 15, Plan 1736 RS (area shaded) presently zoned RESIDENTIAL COMPREHENSIVE (RX), to be rezoned to RESIDENTIAL - SINGLE FAMILY (R1C).



The proposed bylaw No. 9/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The Public Hearing will be held in the Council Chambers, on the 5th day of April 1971 at 8 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the thirty-first day of March, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

D. B. O'Connell,
Secretary-Treasurer.

Four pilots from 417 Squadron are shown flying their mini 104's, part of a parade which marked the Polar Carnival week at CFB Cold Lake last month.

Cold Lake hosts carnival

CFB Cold Lake was the first flying station to be built for the Royal Canadian Air Force after the Second World War. The base is situated in Northeastern Alberta, 125 air miles from Edmonton, 10 miles west of the Alberta/Saskatchewan border, and six miles west of the lake after which the base is named.

While other bases are reducing in size or closing out completely, CFB Cold Lake is increasing in size.

Besides adding units, the base itself has been expanded and updated over the years. Runways have been lengthened, the SAC site was built in 1960 to cater to USAF refuelling requirements, new schools and housing have been added. The hospital and dental clinic have been greatly expanded. On the range, the sophisticated Radars, Trials Control Centre, Base Camp, Jimmy Lake Range, are all additions in the past 10 years

Goings on at Paul Kane

By Holly Hill

BASKETBALL

The girls team played their last game of the season, Wednesday, Feb. 24, against Salisbury. PK girls defeated Salisbury by a good margin of 37 - 19. A good way to end the season.

The boys have two games this week. One Monday night against the teachers while they take on the Alumni Friday.

CURLING

The standing for last week have Terry Mitchell in first place with 10 points; Norman Hill and Doug Barker tied for second with eight points and Lane Bryant third with seven points.

STUDENT PARLIAMENT

It was decided at a special meeting of students Parliament that a committee of the executive would take the presidents place for the remainder of the year. The speaker, Janice Hoosier, will have the power of signature for all checks.

SPRING FEVER FROLIC

The spring fever frolic committee is working hard to make Paul Kane's first annual spring fever frolic, March 12, the biggest and best event this year.

The king and queen contest will consist of no more than 10 couples entered in various events. These include a three legged snowshoe race, a cardboard box race, in which the boys pull the girls in cardboard boxes over a short course, make tea, by building the fire first, swedish sawing logs, nail pounding and caber toss. The caber toss will see the boys throwing five to six foot long poles cupped in their hands while the girls throw shorter poles, two to three feet long, in the same manner. After the king and queen are crowned, they will rule the rest of the day handing out ribbons and prizes.

The individual events will consist of snow shoe races, a toboggan race, nail pounding, caber toss, toboggan tug-of-war, boys against the girls; and sawing logs. We expect (hope!) the teachers will compete against the students.

A spring fever raffle will be held for a pair of $40 muk-luks.

Your child and money management

By Pat Prymak,
District Home Economist

CAN CHILDREN LEARN TO MANAGE MONEY?

Society today is affluent, generally. Yet many people cannot manage money skillfully. Money controls them, they don't control the money.

Children are more and more becoming the targets of advertizing (as I'm sure every parent has noticed this past Christmas season!) Unless they are taught skill in planning the use of their money, wisdom in purchasing, the advantage of regular saving and how to use credit wisely, they are headed for even more difficulties than their parents have had.

The family provides the largest portion of training a child in the use - or misuse of money. What example are you showing?

ASK YOURSELF:

1. Does our child, according to a definite plan, receive some money that he is responsible to manage?

No child can learn to manage money if he doesn't have any to control. Children usually acquire money in one of three ways: as a dole, as allowance, or through earnings. Each way has advantages and disadvantages. If you are using the dole system, why not keep track for two weeks how much you 'dole' out to one child. You may learn that your child is becoming more skillful in managing parents than in managing money. The child who earns his money is learning more about what money really means in terms of time and effort than the one receiving the dole or allowance. Giving allowances should go hand-in-hand with giving guidance as to its use. Setting standards and deciding policies for using the allowance help the child manage his money not mis-manage it! Involve your child in deciding how much and what responsibilities he has for its use. Laying down the law does not teach management.

2. Should we gradually increase the amounts of our child's income and the responsibilities he assumes?

A question to answer a question: Does a child's needs and maturity change as he grows older?

3. Do we give our child the opportunity to share in family financial planning so that he can see the relationship of his allowance and his responsibilities to those of the entire family?

"A child may be unreasonable in his demands on the family income if he has no knowledge of the family finances, whereas he may be very considerate if he does have this knowledge." Could practice of this principle overcome some of your present problems?

4. Do we let our child assume the consequences of unwise spending?

Believe it or not, if you let a child suffer, he will survive - and learn from the experience, too. Have you the courage to let your child fail? Could you turn the problem into a lesson on debt and borrowing?

5. Do we give our child an opportunity to learn saving for a concrete objective?

Saving with a definite purpose in mind is satisfying.

Guide your child positively. Each child needs help in his own way. Guidance is parent-child team-work. It involves good coaching, not dictation; and praise for accomplishments, not "I told you so" when decisions don't work out perfectly.

Progressive Farming Days coming soon

Anybody planning to install a materials handling system will find a visit to this year's Progressive Farming Days time well spent. The event is being held at the Olds College on March 9, 10, 11.

Feed handling, manure handling, grain handling and hay and silage handling systems as well as heating and ventilating systems will be featured at this year's display by the more than 30 Alberta dealers who are participating.

All displays are being housed in the college's new Farm Mechanics Building. They will be arranged in sequence in the display areas, and a large wall index will show where the different makes and models of the material handling systems can be seen. The equipment will be set up and working. Company representatives and advisors will be on hand to explain the various features of the equipment and to discuss the equipment in light of an individual's particular requirements.

Calgary Power and Canadian Utilities will also have a booth to provide farmers with information on electrical system components including the "soft-start" single-phase motor, designed specifically for farm use. Lighting systems will also be featured.

There will also be films and lectures to help farmers to evaluate automation. Speakers will discuss such things as the advantages and disadvantages of the materials handling systems, the economics of these systems, and credit arrangements.

A series of films and lectures is also scheduled for the ladies. The lectures will cover kitchen plans including the home business centre and window treatments.

Les Reid, head of the Alberta Department of Agriculture's engineering branch and general chairman of Progressive Farming Days, says these annual machinery displays have benefitted a great many farmers in the past, and that this year's event will offer even more in terms of convenience and information.

Coming Events

The annual meeting of the Rapeseed Association is being held on March 8 and 9 at the Chateau Lacombe in Edmonton from 9:15 until 5 p.m. each day. Registration fee $5.00.

Topics: First day - Membership Annual Meeting
Second Day - Research program, Low-erucic-acid varieties, distribution of seed in 1971, and plans for 1972, International markets for oils and fats, trade missions sponsored by the Rapeseed Association and Dockage content of rapeseed.

This meeting is being held in Alberta for the first time. It is an opportunity for rapeseed growers to join a commodity force which will affect the total industry.

Analysis of Feed

DA's Comments

Feed for livestock is only as good as the quality or food value. Hence one should know the make-up or nutrient composition of the feed. How much protein, calcium, phosphorous, vitamin A, etc., does the feed have? These components are important with regard to a balanced ration and to determine the flexibility of cheaper feeds. A farmer can base his decision on an analysis when he purchases feed. Therefore, not only can he save dollars by using a balanced ration, but he can also determine what his best buy will be.

M.D. to host ASB conference

Service Board Conference

The 13th annual North West Regional Agricultural Service Board and Agricultural Committee Conference was held in Morinville on Feb. 9, 1971.

The MD of Sturgeon through their agricultural service board were host to the conference. Mr. Walter Van de Walle, chairman of the Agricultural Service Board of the MD of Sturgeon, was general chairman of the conference.

One hundred and two delegates from the 11 regions registered for the conference. Greetings were brought to the conference by Lawrence Kluthe, Reeve of the MD of Sturgeon, Keith Everitt, MLA, St. Albert constituency, Art Stapleton, mayor of the town of Morinville and Jim Gylander, head, Municipal Relations Branch, Department of Agriculture.

The theme of the conference was "Organizational Structure of Service Boards and Agricultural Committees." A very interesting and informative presentation was made by a panel consisting of Les Miller, Reeve of the County of Parkland, Steve Schwetz, Reeve of the County of Thorhild, W. Flynn, councillor, MD of Sturgeon and Sam Ollenberg, councillor, County of Leduc. Group discussions followed the presentations and their views were presented back to the conference.

Mr. Dave Stelfox, supervisor, Crop Clinic, Department of Agriculture, spoke on "Some Ecological Effects of Community Development." This was a very interesting and informative talk.

Mr. Dale Alsaeger, supervisor of animal pest control, gave a brief rundown of the rabies situation in Alberta.

The County of Barrhead extended an invitation to host the conference in Barrhead in 1972.

Mr. Yelland reports on rapeseed distribution

The volume of Canbra oil producing rapeseed distributed to Alberta's pedigreed seed growers this spring will be sufficient to provide enough certified seed to plant the province's entire 1972 rapeseed crop, says Sherman Yelland, cereal and oil seeds crops specialist with the Alberta Department of Agriculture. Canbra oil producing rapeseed contains not more than 3.5 per cent erucic acid.

Mr. Yelland reports that 60,000 pounds of foundation seed of the Canbra oil-producing variety, Span, and 4,500 pounds of foundation seed of the Canbra oil-producing, Zephyr, will be distributed by the Alberta stock seed distribution committee this spring. The committee will choose the pedigree growers who will receive the foundation and breeder seed.

The Canada Department of Agriculture has not yet announced its distribution plans regarding a limited amount of certified Span to be grown this summer so that domestic and export crushers have enough Canbra oil-producing rapeseed next fall to get experience in crushing and processing it before the complete changeover to the Canbra oil-producing varieties in 1972. According to Mr. Yelland, it is expected that about 1 1/2 million pounds of certified Span seed will be distributed to the crushers and seed trade for them to contract out to prairie farmers in early April. Rapeseed growers who would like to apply for a contract should contact their seed company or rapeseed crushing company, he says. The Western Canadian Seed Processors Ltd., Lethbridge is the only rapeseed crushing company in Alberta.

Span, the key variety in the changeover, is an early Polish type turnip rape which is very similar to Echo, except that it is low in erucic acid. Limited tests have shown that it is slightly lower yielding and slightly earlier than Echo.

Zephyr is an Argentine low erucic acid variety which matures slightly earlier than Target and yields at least equal to it. It matures 10 days to three weeks later than Span.

Oro, the other low erucic acid Argentine variety, was licensed in 1968, but is definitely not recommended for Alberta because of its late maturity. It matures three to five days later than Zephyr.

Mr. Yelland stresses that Canbra oil-producing rapeseed varieties should be grown on land that has not grown mustard or other rapeseed varieties for at least four years, and that the land must be free of wild mustard and other hard to separate weeds like pigweed. The new rapeseed varieties are indistinguishable from the older ones, except when tested with sophisticated equipment now being installed by the Board of Grain Commissioners and the Canada Department of Agriculture's Plant Products Division. It should also be noted that Span is a cross-pollinated crop; and thus, easily contaminated by adjacent rape crops, and even by volunteer rape plants in an adjacent cereal crop. Finally, since Canada wants to lead the world in supplying high quality Canbra oil, only certified rapeseed of the canbra oil-producing varieties should be grown next year, Mr. Yelland says.

Further information on the distribution of the new rapeseed varieties and recommended cultural practices can be obtained from all district agriculturists. "Rapeseed - Canada's 'Cinderella' Crop," published by the Rapeseed Association of Canada, contains very useful information on growing, processing and marketing rapeseed in Canada and abroad. It can be obtained from district agriculturists and the publications office, Alberta Department of Agriculture, Edmonton.

Warble Control

The time is fast approaching when all dairy cattle will have to be treated for warble control. For those who wish to treat their own cattle, we will again be handling Rotenone in small amounts. For those who wish to have their herd sprayed, we would ask you to contact the service board office in the MD Building in Morinville, and make arrangements for this service. There were quite a number of beef herds that were not treated last fall and these will have to be done soon.

The pour-on treatment can be used after March 1st. If you have a louse problem, I would advise you to have them sprayed with Co-Ral as this gives one hundred per cent louse control along with warble grub control.

Your service board will be making a check on herds this spring and any herd found that has not been treated will have to be treated.

We have received very good co-operation from the farmers with this program and with further co-operation we can eliminate the warble fly. This would mean that there would be one less pest to contend with.

If you don't think that treating for warble grubs pays, just ask your neighbor who has been treating regularly.

For any further information on cattle treatment, contact the service board in the MD office in Morinville.

Don England,
Fieldman.

Seed Cleaning

ROADS

All farmers are requested to make arrangements for and have their seed cleaned before the spring thaw. Road bans and bad roads could delay and/or prevent a farmer from having his seed cleaned at the seed cleaning plant in time for seeding. Don't wait for the last minute.

Alphonse Nobert, Secretary-Treasurer.
Wally Klatt, District Agriculturist.

Mini-Capades draws large crowd

The advanced figure skating group were among the many fine performers at last weekend's Mini-Capades held at Legal. Back row: Delores Letourneau, Rachelle Nault, Yvonne Proulx, Lorette Douziech and Marelene Zilinski. In front are Rachelle Letourneau, Helene Tieulie and Doreen Laberge.

The Mini-Capades a first in Legal was held last Sunday in the arena and drew a crowd of some 500 spectators. The arena was beautifully decorated with cartoon characters depicting the theme "Cartoon Carnival."

Many thanks are extended to the mothers of the figure skaters and the two ladies on the recreation board for all the time and effort they put in making the decorations.

The afternoon program started with a word of welcome by the chairman of the recreation board, Leonard Forcade. This was followed by a mini-mite hockey game.

The mini-mite teams were a real crowd pleaser. Morinville defeated Legal by a score of 3 - 0. The three stars of the game were Dwight Bokenfohr, Daryl Champagne and Donald Bouvier.

An added attraction to the Mini-Capades was the fine entertainment by the Edmonton Girls Pipe Band. Two local girls are members of the band.

The Legal figure skaters delighted the audience with their skating performances. The progress of the girls is something the community can be proud of and deserves full encouragement. It is hoped that in the near future Legal will be fortunate enought to have its own local instructor.

The clowns were enjoyed by young and old with their hilarious stunts and games on the ice. They were a real delight to the kiddies when they treated them with "goodies."

The Mini-Capades welcomed some 21 skaters from the Barrhead Figure Skating Club who performed during the figure skating program.

Miss Fete au Village drew the lucky tickets in the raffle. The $10 prize went to Colette Bernard, and Betty Roberts of Edmonton won $5.

The closing hockey game was played by the mites. Legal defeated Vimy by a score of 4 - 2. In these boys we see many hockey stars of tomorrow.

Richard Nault made two scores, Laurier Charrois scored one and Ricky Roulston scored the winning goal. The assists were made by George Van De Walle, Albert Morrisette, Danny Pelletier and Denis Brisson.

The recreation board wishes to express their thanks and gratitude to everyone for their co-operation without which the mini-capades would not have been such a wonderful success.

Bon Accord Ladies have busy year

By Jean Sloan

The Bon Accord Ladies Community Club ended another successful year with a meeting held at the home of Mrs. Rita Milligan.

Jean Sloan read to the 16 members and one guest present from "Leaves of Yesteryear," tracing the history of the club from 1946 to 1969.

The Ladies Community Club counts among its members several newcomers to Bon Accord and district and it was felt that some background information might give them a better insight into the clubs purpose.

The financial report showed a profit of $1,843.64 Catering was the club's biggest money-maker. The ladies served three wedding suppers and catered two banquets. Other successful projects included the annual plant sale and tea, a hard times dance, a turkey supper and New Year's Ball.

Through their labors the ladies were able to purchase a deep-freezer, dishes, cutlery and kitchen utensils for the community centre. In addition a cash donation of $1,300 was made to the Centre. This makes for a total of over $18,850 donated by the Bon Accord Ladies Community Club from May 1946 to December 1970.

Club members wish to thank the residents of Bon Accord and district for their generous support of their many functions.

The meeting elected Mrs. Patricia Reynolds to a second term as president. Mrs. Sarah Mulligan is the new vice-president, Mrs. Mary Jane Brown has taken over the secretary duties, while Miss Jean Sloan was named treasurer.

The January meeting was held at the home of Mrs. Patricia Reynolds. The meeting approved the sum of $700 to be donated to the Community Centre. This amount will be put to good use as the purchase of several items is planned.

Mrs. Thalia Critchly hosted the February meeting, assisted by Mrs. Jean Sloan. The cook book was discussed and more information on this is available from Mrs. Edith Kowalski at 298-2207, Mrs. Doreen Hewitt or Mrs. Mary Jane Brown. Recipes from all good cooks, old or new, are most welcome and should be submitted by March 15.
